

# North Vancouver School District Elementary Summer Learning 2019

## Application process starts February 2019

### Overview

North Vancouver Elementary Summer Learning programs are designed for students in Grades 4-7 with specific learning profiles and demonstrated need in the development of key learning skills.

Elementary programs take place in August and include a mandatory parent session prior to the start of the program. Students are expected to be in attendance each day of the program.

### How do I apply?

Entrance to the elementary programs is by referral and application only (through School Based Resource Teams). Students considered are required to meet eligibility and screening requirements.

### Looking for more information?
