

The Canadian Universities Event (CUE) is a collaboration of about 50 Universities and Colleges. They have already hosted virtual events for grade 12 students this year. Counsellors have been asking for this for grade 10 and 11 students and they have now set up the following event:

CUE BC Winter Edition will be less focused on presentations and more focused on drop-in chats and Q&As so that students can get quick answers to their questions. Any high school student from anywhere in BC is invited to join us and connect with nearly 50 Canadian Universities all in one place!

**Dates: Wednesday, January 20th & Thursday, January 21st**

**Time: 4 pm - 7 pm PST**

**Where: [CUE Website \(cuebc.org\)](http://cuebc.org)**

**Cost: FREE! But registration is required**

I highly recommend registering for one of these sessions. February is coming up quickly and we will be asking our grade 10 students to choose their grade 11 courses and those in grade 11 to choose their grade 12 courses. Here is your opportunity to see what programs are available and then link course selection with requirements for possible admissions. You will find that there are some similarities across programs which again will be helpful with courses selection. Please let me know if you need any assistance. I am always happy to help.
