

Daily Announcements – Friday May 10

It has been literacy week here at Sutherland! Our trivia theme for this week has been 'Journeys'. Each day, students answered a trivia question in the library and were eligible for daily prizes of chocolate – and a grand prize of a gift card.

Yesterday's question was "At what age did the author Kelly Yang first attend university?" and the answer was "Thirteen years old". Our winner from Thursday is Ava R.

Please come to the library at lunch to claim your prize!

Thursday May 16th is the annual Moose Hide Campaign Day.

The Moose Hide Campaign began as a BC-born, Indigenous-led, grassroots initiative to engage men and boys in ending violence towards women and children. It has since grown into a nationwide movement of Indigenous and non-Indigenous Canadians from local communities, governments, schools, and many other organizations – all committed to taking action to end this violence.

Since the Campaign began over 10 years ago, thousands of communities and schools across Canada have held annual Moose Hide Campaign events and joined the annual ceremony and fast. People of all ages, genders and backgrounds are invited to take part in Moose Hide Campaign activities.

A cornerstone of the Moose Hide Campaign is the moose hide pin. These pins will be handed out next week during tutorial time and at lunch by the front entrance of the school. Wearing the pin signifies your commitment to honour, respect, and protect the women and children in your life and speak out against gender-based and domestic violence.

Next week, in your period 3 class, Sutherland students are invited to donate money to support the Moose Hide Campaign. Any size donation is welcome and the class who collects the most money will be celebrated with a pizza lunch. Remember to make your donations! "
