Thursday May 16th is the annual Moose Hide Campaign Day. The Moose Hide Campaign supports education in schools to help end gender-based violence by helping to create safer student communities across Canada. All forms of violence are unacceptable, and violence disproportionately affects women, mothers, and daughters across the country.

Did you know that every year, there are over 60,000 physical or sexual assaults against women in BC – which is more than 1,000 per week?

Did you know that one in three women will be sexually assaulted in her lifetime?

Did you know that there is a daily average of over 8,000 women and children staying in shelters across Canada because they do not feel safe at home?

All students at Sutherland are invited to wear a moose hide pin in support of the Moose Hide Campaign to help end violence against women and children. Pins are available at the front entrance of the school during tutorial and at lunch. Your donation matters! Donations to support the Moose Hide Campaign are being collected daily during your period 3 class. The class with the most donation money will win a pizza lunch. Wear your pin and make your donation today! "
