- Attention all Grads! If you want to be considered for scholarships and bursaries, YOU MUST fill in the Scholarship and Bursary Form. The scholarship committee has a variety of awards to bestow on students, and they are not just for academic achievement, so we encourage everyone to fill it in. You can find it on the Grade 12 Team in the Scholarship Channel along with other external scholarship opportunities. The deadline for the form is Friday, January 9. This is one time when you want all the teachers to talk about you, but you won't be discussed if you haven't filled out the form.
