- Ready to bend and snap?

Come see Legally Blonde the Musical — Feb 25–27 and Mar 4–6 at 7pm!

You can buy advanced tickets at lunch in front of the theatre or simply scan the QR code posted outside.

Tickets are \$15 unless you're a student and purchase via CASH in person. Then it's only \$10 to see this awesome show. Bring friends, wear pink, and support our amazing cast and crew!

- Good morning!

If you volunteered at any basketball games this season, we want to pay you for your hard work!

Please visit Ms. P in the gym office to pick up an Honorarium Requisition Form. You'll need to complete and return this form in order to receive payment.

Thank you again for your time and support — we truly appreciate it!

- Attention Sutherland athletes!

Today is the final day to submit your Indoor Soccer intramural roster to Ms. P in the Gym Office! This is your last chance to join — remember, all Grade 8 to 12 students are welcome to make a team. Let's get your roster in so you don't miss out.

A final tournament bracket will be created at the end of the day today.

- Happy early Valentines Day, Sabres! Candy grams are being handed out during last period today, so keep an eye out! You might be getting something sweet!
- Good morning, Sabres! Hopefully you have received your sticker for the Annual Valentine's Day Matching game in your first period with half of a match. Your match could be anywhere in the school so try to find them and come down at lunch to the main hallway with your pair to get a prize. Happy matching!!
- Attention all mountain bikers, the season is starting soon! Please come to room C203 to sign up and pick up forms.
- Boys Club today after school in room C306. Walter will be here with pizza, but unfortunately the guest speaker for today had to reschedule.

- Chess Club today at lunch in room C301. Bring your game!
- On Saturday February 14th- Indigenous people and allies will be meeting in Vancouver on the Downtown Eastside for the Women's Memorial March. It is to honour and remember missing and murdered Indigenous women and girls and gender-diverse people who have lost their lives. This march is intended to bring attention to the gendered violence, poverty, racism, and the effects of colonialism and systemic injustices that has impacted these individuals and still impacts their loved ones today within that community. But it also raises hope for the many who may yet still be safely found. Sutherland students have attended this march in the past. Although no formal trip is planned you are welcome to attend with your friends and family.
- Hands on the Land will be meeting in the library at lunch. In honour of Indigenous women and girls we will be watching a short film by Lily Gladstone. Bring your lunch and be prepared for another great door prize.
