If your student is unable to attend the session they have been assigned due to a scheduled absence or is ill on the day of the Assessment, there will be an opportunity in June to make up the exam. As a reminder: the LTE 10 is one of three exams required for graduation in British Columbia, along with the Grade 10 Graduation Numeracy Assessment (NME 10) and Grade 12 Graduation Literacy Assessment (LTE 12).

Please see the [Ministry of Education website](#) for details and practice exams. The exam does not require preparation, but there are videos and sample tests available at the above link should students/families want to access those materials in advance of the exam. We appreciate your flexibility. Please don't hesitate to reach out if you have any questions.

Kindly,
