Sutherland S.O.C.I.A.L. 2018-19 (formerly Student Leadership Council)

Sutherland S.O.C.I.A.L. is large and vocal! We represent all grades and all interests in the school, working to make Sutherland welcoming, inclusive and celebratory for every one of us. Sutherland S.O.C.I.A.L. members apply to be part of this vital, hard-working group in May of each year.

The executive is selected from the membership at the Spring Joint Council Retreat, where the following year’s events are decided. At the Fall Retreat each year, the council takes leadership training and plans the events for the school year.

If you missed your chance to join Sutherland S.O.C.I.A.L. this year, please apply in May to be on it next year, or join our VOLUNTEER CORPS to assist at events. If you have ideas to share, please talk to your grade reps or attend our weekly meetings; all students are welcome.
