Career Life Connections 12

CLC12 is a 2-credit course, with final mark on the January 2021 report card. In BC, Grade 12 students are required to complete CLC12 and their Capstone Project. At Sutherland, this is through the NVSD Online Learning course under the guidance of Ms Wendy Matsubuchi. She is available on school days in D209, including Flex, Lunch and after school by appointment.

My Blueprint

All NVSD students K-12 have access to their 'electronic filing cabinet' by logging into the NVSD portal, then clicking on the myBlueprint link on the banner. All work must be submitted in Blueprint: work is only marked once added to the correct Blueprint portfolio and the 'submit' button is pushed in Moodle.

NVSD Online Learning School "Moodle"

To access the course, students type **nvsd dl** in their browser, then click on the square green Moodle button. If they forget how to access, students should type their 123456@sd44.ca email into the 'forgot password' option. In Moodle, students will find instructions and deadlines for completing each portfolio. When ready to submit a portfolio, students must click 'didn't plagiarize' and ensure the green 'submit' message appears on their Moodle Check-In page. All CLC12 portfolios are due by 17 December, 2020.

30 Hours' Community Connections

Students must document a minimum of 30 hours of paid or volunteer work within Canada. This is done by completing the form and uploading it to Blueprint by 17 December, 2020.

Capstone Project: powerpoint and presentation

Capstone is a 2-credit course, with the final mark on the April, 2021 report card. Once students complete their CLC12, they can curate their learning in a powerpoint which is submitted in Blueprint by 18 February, 2021 and presented by 04 March, 2021.
