Upper Lynn News

Last Week...

Last Thursday, we held Puzzle Day, where our Grade 7 students worked alongside classes throughout the school, supporting students as they tackled a variety of puzzles over the course of the day. It was wonderful to see leadership, collaboration, and problem solving on display, and our younger students really enjoyed learning alongside the Grade 7s.

We wrapped up the week on Friday with Dress Up as Your Favourite Storybook Character Day, and the creativity on display was outstanding. Students came to school with thoughtful, unique, and imaginative outfits, and it was great to see their love of books come to life.

Also on Friday, we held an assembly to introduce Black History Month. The presentation highlighted three Upper Lynn projects that will guide our learning and reflection throughout the month:

- Black History Matters presentations
- An Underground Railroad-inspired coding scavenger hunt with a prize opportunity
- The Alma Thomas school-wide art project

Earlier in the week, on Tuesday, our Grade 5 floorball team played an exhibition game against the North Vancouver Wolf Pack Junior hockey team and came away with an impressive 8–6 victory.

Upper Lynn also showed strong community spirit on Saturday at the hockey rink, where our choir proudly sang the national anthem, and students and families cheered on the Wolf Pack to a 5–2 win.

Meanwhile, our Grade 6 and 7 teams were gearing up for their first season games this week, and excitement is building as they get ready to compete.

We closed the school week with a special performance by the Black Dog String Quartet, which was a wonderful way to end a full and meaningful week of learning, creativity, leadership, and community.

Thank you to staff, students, and families for making Upper Lynn such a vibrant and connected place.

Supervision Before and After School

For the safety and well-being of all students, we kindly ask families to arrange direct supervision for their child(ren) before and after school, as staff supervision is not provided during these times. We encourage students to follow the **Code of the BEARS—Be Accountable, Be Respectful, and Be Safe**—while playing outside to help create a positive and safe environment. Thank you for your cooperation in ensuring a safe start and end to the school day!

Code of the BEARS

We continue to be proud of the way our students are living the Code of the BEARS each day. Across the school, we are seeing so many positive choices. Students are helping keep our school beautiful, walking calmly and respectfully in the hallways, and holding doors open for one another. These small actions make a big difference and help create a safe, welcoming place for everyone.

As part of our ongoing focus on being accountable and respectful, we are shifting some attention back to our washrooms. Recently, there has been damage occurring during school hours, including writing on walls and doors, water being splashed on floors, and supplies being thrown into toilets. When this happens, washrooms become unusable and unsafe for others.

We ask that families please speak with their children about taking care of shared spaces. Our washrooms need to stay clean, operational, and well supplied so that everyone can use them comfortably. If students see something happening or know information that could help, we encourage them to come to the office and share. This is not about getting anyone in trouble, but about working together to look after our school.

Thank you for continuing to support the Code of the BEARS at home and at school. When we all do our part, we keep our school safe, respectful, and a place we can be proud of.

Volunteer(s) Needed!

Bike, Walk and Roll to school week, typically taking place the last week of May/first week of June, is a district sponsored initiative encouraging students to get to school in a safe, active and sustainable way. Upper Lynn students have the chance to win prizes for their creative ways of getting to and from school this week, and in the past we've had local businesses such as Lynn Valley Bikes on site to do bike safety checks.

Our current coordinator Veronica will be leaving Upper Lynn this year and we need to find 1 or 2 parents to shadow her so this awesome week can continue in the 2026/2027 school year! Please reach out to Upperlynnpac@gmail.com for more details. This is a great way to get involved in your school and community and you will be supported by the PAC and Gr 7 students.

Card Project

We are thrilled to run the card project again this year. As you may recall, and for those who are new, this is an opportunity to have cards and other gift items made with your child's artwork on them. Here is how it works.

The kids have already made/are in the process of making art. If you want the free sample card (with your child's art) or the opportunity to buy items with your child's art (which happens later, in the spring, with orders arriving in time for Mother's Day) then you need to register [NOW](#). The deadline to sign up is February 8, 2026. But why wait, it takes only a few minutes, and if you do it now when you get this email you don't have to set yourself a reminder to do it later.

[Click Here to Register](#)

Then use the purple button to complete the registration.

If you don't register now, you can't order items later. So don't miss out!!!!

Silent Auction - Donations

The Silent Auction is an important fundraiser for the PAC, raising over \$17 000 last year. It will run online February 20-27th 2026.

We are now seeking donations! It is an excellent way for businesses to support our school, gain great exposure and build their brand within the school community. If you own a business, or have a good connection with a business owner, we would love to hear from you. All donations need to be confirmed by February 13th.

We are always looking for new members to join our organizing team. This is a very rewarding project to work on with an awesome group of fellow ULE parents.
