Library Books Due Monday, June 15

All library books are due back to the library on Monday, June 15, 2026. Students have been notified about any books still checked out under their name.

Please have a good look at home for any overdue or missing books. Students can return books to the library any day of the week, and Mrs. Slykerman will also be coming to classrooms to collect books.

If a book has been lost or damaged, please contact Mrs. Slykerman at sslykerman@sd44.ca to make a plan for replacing or paying for the book. Accidents happen!

Please Return School Jerseys

As we are nearing the end of the school year, please return any school jerseys or team uniforms to the office as soon as possible. This helps us make sure everything is collected, washed, and ready for next year.

Lost and Found

Please check the school [website](#) for pictures of our Lost and Found items. We have many items that need to be claimed before the end of the school year. All unclaimed items will be donated at the end of the year.

Cheakamus Family Camp

Families may be interested in the Cheakamus Family Camp taking place August 24–26, 2026. This three-day camp includes outdoor activities, Indigenous cultural learning, meals, accommodations, and guided activities at Cheakamus Centre. Please see the flyer at the end of the newsletter for more information.

Planning Ahead for Summer or Moving?

- Moving? We'll provide withdrawal information to help with the transition.
- Leaving early for summer break? Please include the dates your child(ren) will be away.
- Not returning by September 8? Proof of return is required to hold your child's seat for the new school year.

Code of the BEARS

We are so proud of our students! We have reached our final school-wide goal and earned a school movie, which will be shown in classrooms. Students have earned thousands of Bear Paws this year by being Accountable, Respectful and Safe.

This week, our focus is on ending the school year with our best efforts. As we move through the final days of June, we are reminding students to continue making positive choices, showing kindness, following routines and giving their best in all areas of school life.

These final weeks are a great opportunity to finish strong and show pride in ourselves, our learning and our school community.

The calendar includes professional development days, holidays, winter and spring breaks, and Staff Collaboration dates, which are shortened days for students. 2026-2027 School Supplies / Planner

Upper Lynn will continue purchasing basic school supplies in bulk to keep materials consistent and costs reasonable. The fee for Grades 1–7 will be **\$65**, with student planners available for an additional **\$8**. Payment information will be sent through **SchoolCash Online** later this week.

Kindergarten supplies will be **\$55**, with payment information shared in September. Thank you for your support.

Homestay Families Needed

Each year, the North Vancouver School District welcomes students from around the world to live and study in our vibrant community in the International Program. We strive to place secondary school international students with families who live close to school to support each student's integration into the school and wider community.

We still have a few secondary school international students in need of a homestay placement for the school terms beginning September 2026 and February 2027. If you are interested in hosting an international student, please reach out to the International Education program office at international@sd44.ca. More information about the homestay program is available on the International Education section of the school district website.

Have a great week!
