Upper Lynn School
Parental Information for Student Placement
School Year 2023-2024

Rest assured that forming balanced classes is in everyone's best interest to ensure optional learning for all students. We care deeply about the success of all the students in our care. It is important that students learn to work and communicate in diverse environments. Teachers get to know their students extremely well during the course of a school year; we consider every student individually, and as part of the school community, when considering class placement for students.

Parents and guardians understandably want to ensure that their child is placed in the best possible learning environment. If there is information that the current classroom teacher and/or the principal does not have and should consider when placing your child for the 2023-2024 school year, please complete this form. **An accompanying letter, or naming a specific teacher, is not part of the criteria and will not be accepted.**

Please complete this form ONLY if you have information that the staff needs to know as they consider the class placement for your child. Please complete only the applicable lines, and then rank the priority in the boxes on the left with 1 being the most important to you and 4 the least important.

Please be mindful that the form will be shared with the classroom teacher & other staff members who your child has worked with.
