

Summer with Artists for Kids

Paradise Valley Summer School of Visual Art

Our 23rd annual Summer School of Visual Arts in beautiful Brackendale, BC, is fast approaching. This year both Junior and Senior camps will be running from July 10 - 15. The artist-in-residence for the Junior camp is Lori Goldberg and the artist-in-residence for the Senior Camp is Damian Moppett.

Summer Day Camps

Fine Arts classes will explore the Gordon Smith Gallery and be inspired to work on a variety of projects in the studio.

Industrial Arts classes will split their day between woodworking, while learning safe tool handling, and engineering where they will build projects to solve real-life problems.

All day camps run for five days (Monday – Friday) from 9:00 am to 3:00 pm. And all classes will have recreational time with indoor and outdoor activities.
