## Student Parking Policy

Parking Regulations: Each item must be read and initialled by parent/guardian and student.

Student:      Parent:

- 1) Drivers must always operate their vehicles in a safe and appropriate manner around school grounds.

☐☐

Failure to comply will result in students not being permitted to bring a vehicle to school.

- 2) **Students must park their vehicles in the lower Lytton Street parking lot in designated spaces only.**

☐☐

**Parking is not permitted in front of the Preschool or Dance Studio. Cars parked in non-designated areas will be subject to towing.**

- 3) Parking spaces are limited. If no spaces are available, students must park on local streets where parking is permitted. Do not park in staff or visitor parking stalls and there is no student parking in the Broadview parking lot.

☐☐

- 4) Students have a valid “N” class driver’s license. No more than one passenger (other than a sibling) may be in the vehicle at any given time.

☐☐

I understand that driving a vehicle to school is a privilege and will be extended only so long as I observe the law, use my common sense, and respect the rights and property of other drivers and regulations of the school.

*\*Please note that the operation of motor vehicles in a congested school area is extremely dangerous and in order to minimize that danger, students should bring vehicles to school only when absolutely necessary.*
