Here are your Daily Announcements for **Monday June 1st**

In soccer action, the senior girls had an incredible season culminating in a magical tournament at BCs. In the end, the team fell one goal short and captured Silver Medals and a runner up BC Championship trophy. While it would have been nice to win that last game, the team was super successful and with a couple of bounces could have beat a strong Comox team in the final. Katie Hoh was named MVP and voted to the super 16 tournament team. Ayla Rodger won the Golden gloves as the best goalkeeper in the tournament. Emma, Gabi, Vienna, Nora and Shanika captured player of the game honours at BCs. There were too many other exceptional performances to single out individual athletes. Coach Hockley and Paul are so proud of how the girls came together and transformed from 21 individuals into one team. The success this season was due to the depth in the squad and their willingness to sacrifice for each other. Congrats to the girls for a terrific season and representing the Windsor well.
