1. Do you love reading and books? Are you looking to be part of a leadership initiative and gain volunteer hours? Come join the Library Advisory Committee and help shape the future of our school library! This is your chance to share thoughts on new books, events, and how we can impact the decisions about Windsor Library. If you are interested, please scan the QR codes on the posters around the school for more information. The Windsor Library Leadership Team can't wait to hear your awesome ideas and to work together.
2. Today is Day 1 (2) of Student Vote Day — a national program where students cast ballots for the candidates in their local electoral district. Across Canada, nearly a million students are taking part in this parallel election. It's a chance to make your voice heard and be part of something bigger. Let's show Canada that youth are paying attention and ready to lead the future!
