### **Green Team Fun Fact:**

Saving Energy at Home. It is important to understand that our electricity and heat are mostly powered by coal, oil and gas. You can start by reducing your heating and cooling use, as well as switching to LED Light Bulbs and energy-efficient electric appliances. Instead of using hot water for the laundry, opt for cold water, as well as starting to hang your clothes to dry instead of using a drying machine!

1. All players who are interested in playing senior boys basketball next year, there is an important and mandatory meeting **TODAY** at lunch in room 104.
2. Grade 12s last mandatory meeting is on Wednesday, April 8th at 8:30am in the multipurpose room. Please arrive 10-15 minutes early to sign in and verify important information.
