Subject: Update: November Literacy 12 Graduation Assessment Postponed

Good Afternoon Grade 12 families,

Today we received notice from the BC Ministry of Education and Childcare that the **November session of the Provincial Graduation Assessments (November 3–7)** has been **cancelled** due to ongoing BCGEU strike action.

At Windsor, we had originally planned to cancel classes for Grade 12s to facilitate students writing the assessment on **November 4 and 5**. With this change, **all Grade 12 classes will now run as normally scheduled on those days**.

The next opportunity to write your **Literacy 12 Assessment** will be in **January 2026**. We'll finalize our school schedule soon and share those exact dates and plans with you soon.

Please note: the Ministry has confirmed that **early post-secondary applications will not be impacted**. You'll still be able to write your assessment in the January session and submit your results later.

If you have any questions or concerns, feel free to check in with the Mr. Barnes or myself in the Main office.

Thanks for your flexibility and understanding,

Greg Hockley

Vice Principal
