RISKS AND CONSEQUENCES:

There is a degree of risk in all daily activities. The risk is increased to varying degrees when students are away from the safety and supervision of the school setting. It is impossible to itemize every possible element of risk associated with a Field Trip. Generally speaking, this Field Trip may include, but not be limited to the risk related to transportation

Students must do all they can to ensure a safe, common sense, and controlled experience to reduce inherent risk. The consequences of risk are, again, myriad and dependent on the situation. Students and parents need to be aware that injury can occur from risk, and that injury can range from minor to fatal. Again, students must do all they can to ensure a safe, common sense and controlled experience.

BEHAVIOURAL EXPECTATIONS, SAFETY RULES AND REGULATIONS:

While on any field trip, it is important that students remember that they are on a school outing and behavioral expectations are consistent with all school rules. Students come under the jurisdiction of both the School District Code of Conduct and the Code of Conduct of their school for the full duration of the field trip. It is very important for students to remember that when they are on a field trip, they are representatives of their school and the North Vancouver School District and are expected to behave accordingly.

STUDENTS MAY ATTEND A WORKPLACE WITH ANOTHER STUDENT'S PARENT, AS LONG AS AUTHORIZATION IS GIVEN BY THE STUDENT'S PARENT OR GUARDIAN.

For the absence to be excused, this completed form must be returned by:

Friday October 29, 2021
Please return to your Period 3 teacher, the office, or
Room 203.

Thank you for your cooperation.
