COURSE DESCRIPTION

The aim of Career Life Education is to enable students to develop the skills they need to become self-directed individuals who set goals, make thoughtful decisions, and take responsibility for pursuing their goals throughout life. Career Life Education provides relevant and experiential learning opportunities, helping students relate their learning in school to the demands of the working world and the expectations of society. It also provides opportunities for students to develop those skills, attitudes and behaviors that will allow them to manage their lives more purposefully and effectively, enhance their personal well-being, and realize their full potential. For a complete Ministry curriculum Careers document, go to: <https://curriculum.gov.bc.ca/curriculum/career-education/all/career-life-education> and select Career Life Education.

BIG IDEAS

Big Ideas are the key understandings that students will achieve by the end of the course. These Big Ideas cover the following concepts: Self-Awareness, Collaboration, Career Awareness, and Career Planning. Students will explore and understand the following Big Ideas throughout the Career Life Education course:

Career-life choices are made in a recurring cycle of planning, reflecting, adapting, and deciding.

Career-life decisions are influenced by internal and external factors, including local and global trends.

Cultivating networks and reciprocal relationships can support and broaden career-life awareness and options.

Finding balance between personal and work life promotes well-being.

Lifelong learning fosters career-life opportunities.

CORE COMPETENCIES

A Core Competency is a skill that all learners need to have to be successful in all aspects of their life. There are 6 core competencies: Communication, Critical Thinking, Creative Thinking, Personal Awareness and Responsibility, Social Responsibility and Personal and Cultural Identity. Throughout the Career Life Education course, students will focus on one of these competencies in each unit.

“I” policy

The “I” symbol is used to alert students and parents that the student is not demonstrating minimally acceptable performance in relation to expected learning outcomes. Students will be informed of an “I” by either an Interim Report mailed home or an “I” on a report card.

When students and parents are informed of an “I”, the teacher will specify a plan of action that the student must undertake to achieve the necessary learning outcomes. It is the responsibility of the student to complete the necessary learning by the specific date or the “I” will be converted into an “F”.

Plagiarism and Cheating

Plagiarism and cheating are serious offences. Any student caught plagiarizing or cheating will receive a zero for that assignment and will not be given an opportunity to make up the mark. Parents and school administrators will be notified.
