

HOW ARE WE CELEBRATING INDIGENOUS EXCELLENCE? *PAST, PRESENT, AND FUTURE*

These questions can inspire our work in schools.
SD44 Curriculum Implementation Day - Dec. 6, 2024

How are we creating space where all students feel a sense of belonging and connection to the land, their community and their identity, while helping them recognize and celebrate their unique contributions to the world?

How are we successfully incorporating Indigenous knowledge and worldviews into the work that we do with children/youth?

Together how are we honouring and celebrating Indigenous student innovation, leadership, and resilience?

Systemic racism exists in our institution(s). How are we making decisions while being aware of our biases and assumptions?

Thanks to Dr. Tsnomot Brad Baker, Member of the Squamish Nation, Superintendent of Indigenous Education (BC) and Leona Prince, Assistant Superintendent of Indigenous Education, Ministry of Education and Child Care who inspired our school district to “go forward with courage” and make meaningful change.
