## Photographer/ Videographer

### Opening Reception Photographer

Opening Receptions happen for every new Exhibition at CityScape Community ArtSpace, about every 6 weeks. Opening Receptions are held on Thursdays 7:00-9:00pm.

Being our Opening Reception Photographer is an opportunity to mingle with artists, immerse yourself in the art community, and capture the essence of creativity in action. Here's what the role entails:

- Bring your artistic vision and technical skills to the table as you capture the highlights of our opening receptions. From candid moments of artists and guests to capturing the ambiance and excitement of the event, your photographs will help us tell the story and preserve the memories.
- As our photographer, you'll have the chance to interact with artists, art enthusiasts, and fellow creatives. It's the perfect opportunity to connect with inspiring individuals, build your professional network, and delve deeper into the vibrant arts scene.

There may be more opportunities for photography/ videography as well including our events like Arts in the Garden and taking promotional shots for our marketing team.

REQUIREMENTS: Previous photography experience. Please send examples of work or portfolio to [danna@northvanarts.ca](mailto:danna@northvanarts.ca).

Our next Opening Reception is on **September 28th**.

## Promo Distribution

We rely on our Promotions Team to hang posters, deliver cards, and spread the word about programs, events, and exhibitions.

We are seeking a volunteer to help us distribute our promotional materials around North Vancouver and surrounding areas. This volunteer will come pick up the promo materials about every 6 weeks or so. We would love to find volunteer with a vehicle to distribute to a larger surrounding area, and another volunteer to distribute around lower Lonsdale.

To apply to volunteer, email [danna@northvanarts.ca](mailto:danna@northvanarts.ca) with you volunteer interests and availability.
