

Concept 1: What works well and what can be improved?

Please place one coloured dot per box below:

... number of homes?

- This works well.
- This could work well, with some improvement.
- This does not work well.

... type of open space and amenities?

- This works well.
- This could work well, with some improvement.
- This does not work well.

...other aspects? other comments?

- Or add a blue dot on any comments with which you agree...

... types and diversity of homes?

- This works well.
- This could work well, with some improvement.
- This does not work well.

... location of open space and amenities?

- This works well.
- This could work well, with some improvement.
- This does not work well.
