In the North Vancouver School District, the school planning process is the leading vehicle for building capacity, determining areas of focus and bringing to life the Board's Strategic Plan.</i></p> <p><i>Directors of Instruction Chanin Smyth, Adam Baumann and Vince White, along with school Principals Jillian Gordon (Ridgeway Elementary), Tristan Crowther (Dorothy Lynas Elementary) and Rick Chan (Westview Elementary), will facilitate small group dialogue that explores the centrality of school planning to the student experience.
