Q: How to best enhance education for students and build staff capacity?

What is conventionally taught may not develop the kinds of citizens, workers, and family and community members we want and need – the universe of what's seen as worth learning is expanding.

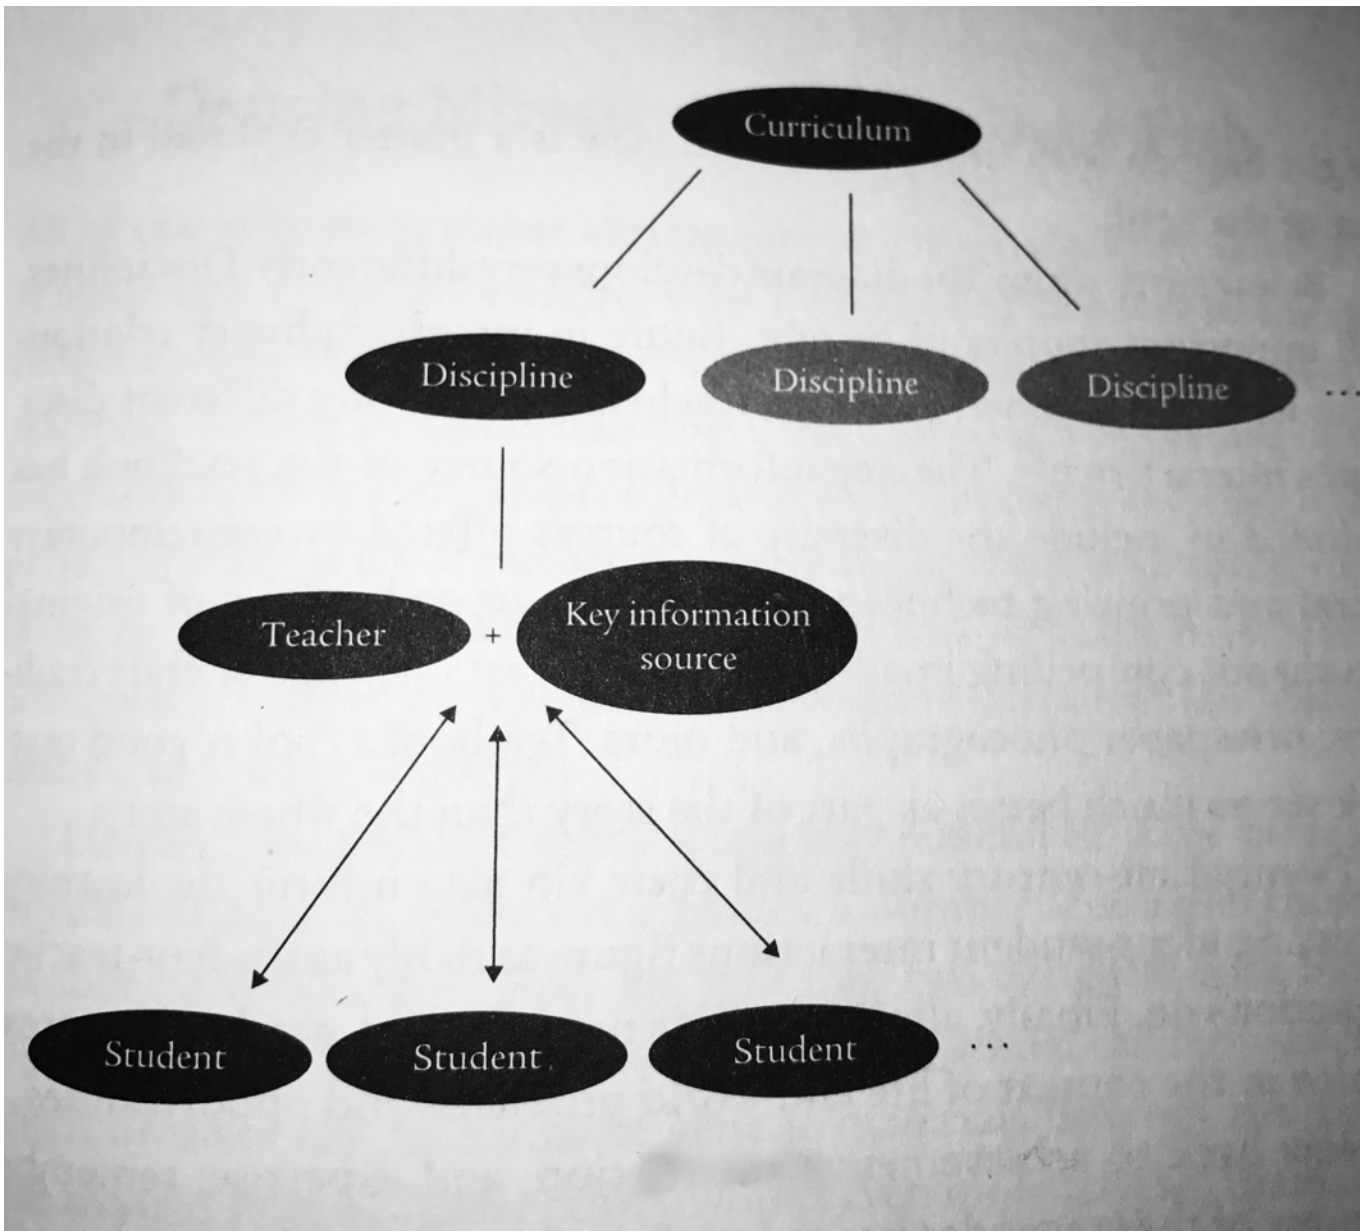

Q: What types of initiatives offers the greatest potential RTI?

Six broad instructional trends that require leadership and consequently investment:

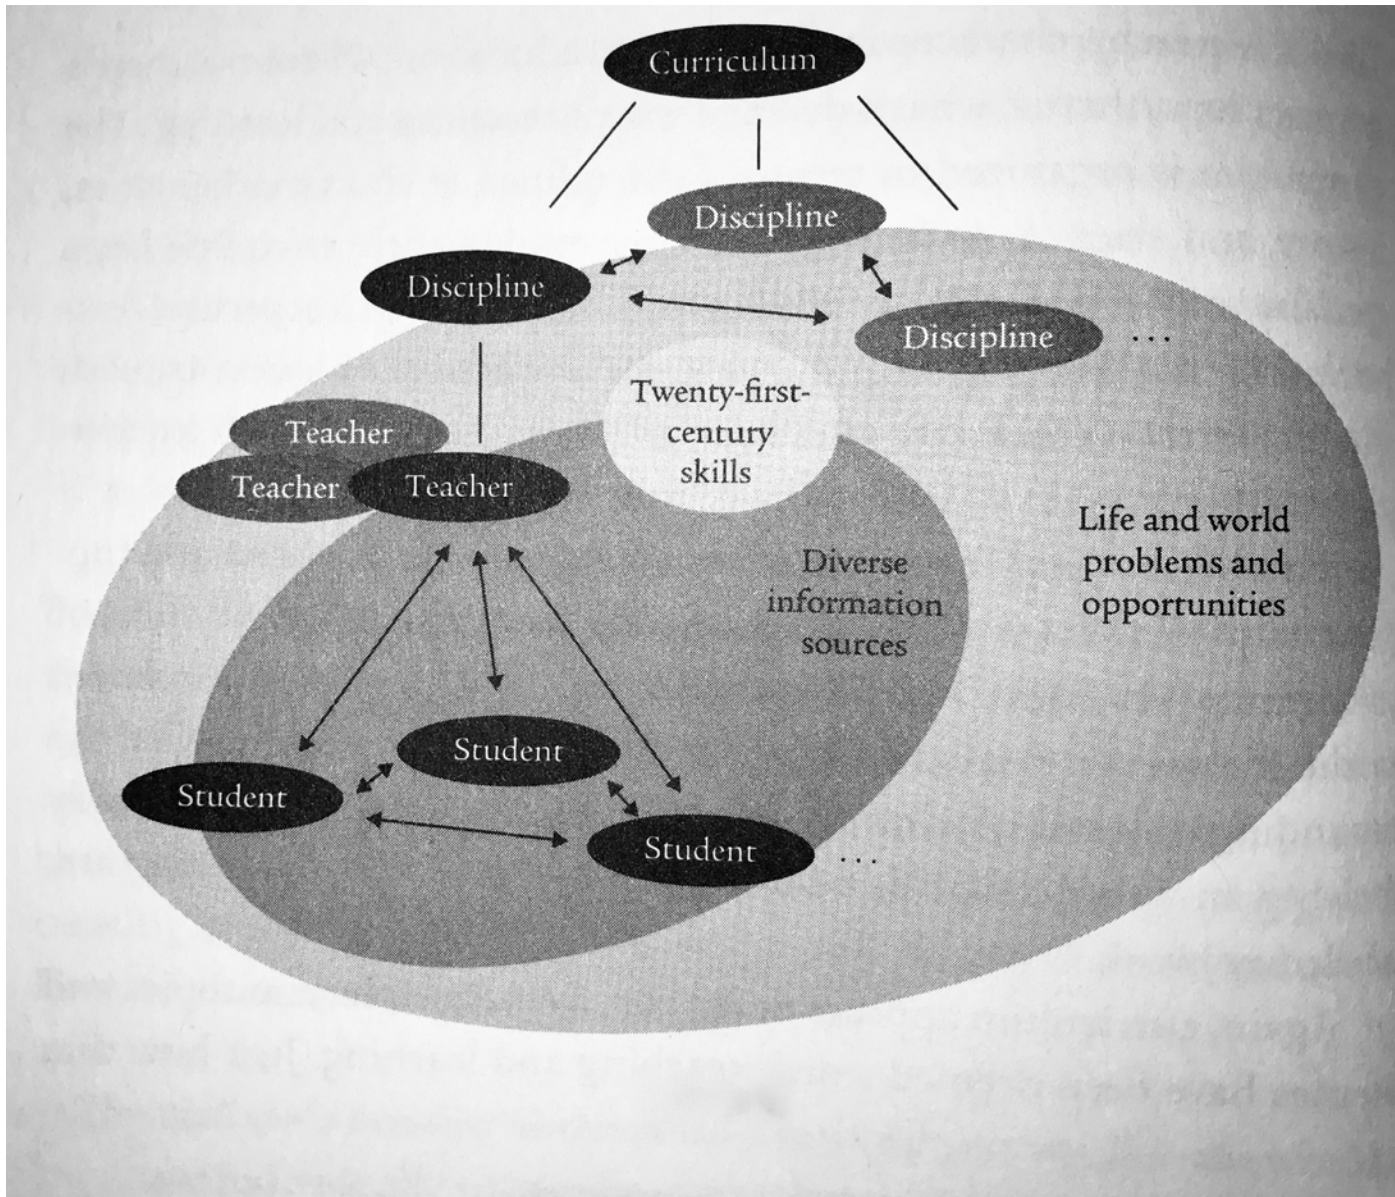

Moving . . .

- 1. Beyond basic skills*
- 2. Beyond traditional disciplines*
- 3. Beyond discrete disciplines*
- 4. Beyond regional perspectives*
- 5. Beyond mastering content*
- 6. Beyond prescribed content*

Leadership is only second to classroom instruction among school-related factors that affect student learning at school.
