Vision

To provide a platform for students to explore and extend learning opportunities while fulfilling their educational requirements

North Vancouver School District Summer Learning provides an engaging learning environment where all students can challenge themselves academically and fulfill their personal learning goals through alternative pathways

Mission

**Summer's
Vibrant
Learning
Community**

-  A focus on student engagement and learning
-  A culture of teamwork and collaboration
-  Respect for adult and student diversity
-  A strong sense of community and collective responsibility
-  Strong systematic structures

Our Clients

Students who have gaps in their learning and wish to enhance their skills

Students who wish to get ahead take a full credit course in the summer

To develop student self-concept, self-awareness, and self-advocacy through enhancing and building foundational skills within a supportive and engaging environment.

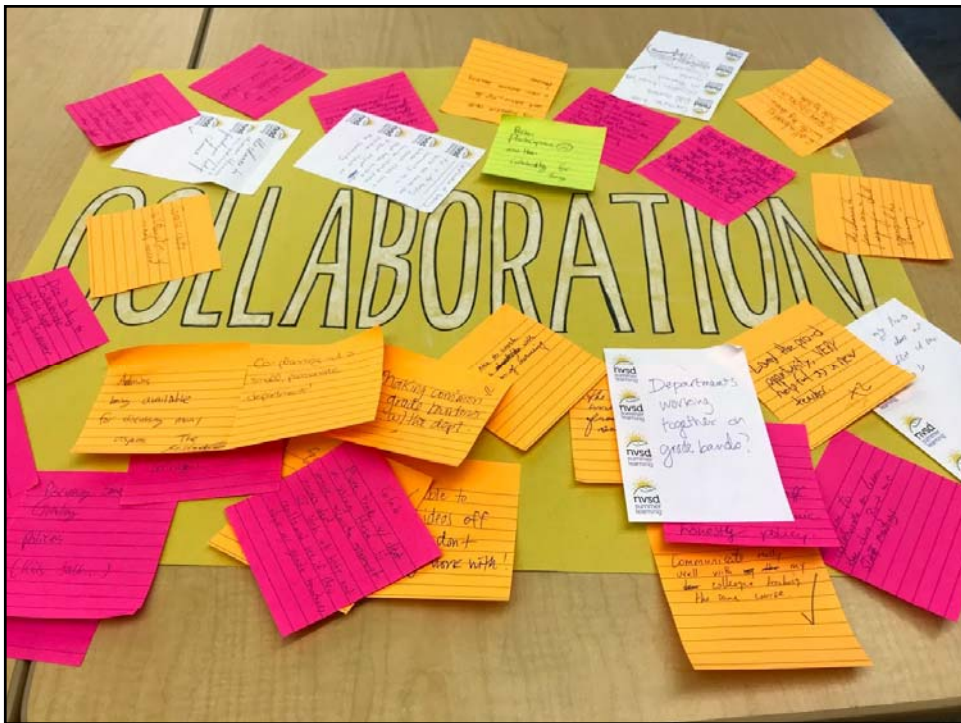

A Culture of Teamwork and Collaboration

Collaboration within a Professional Community

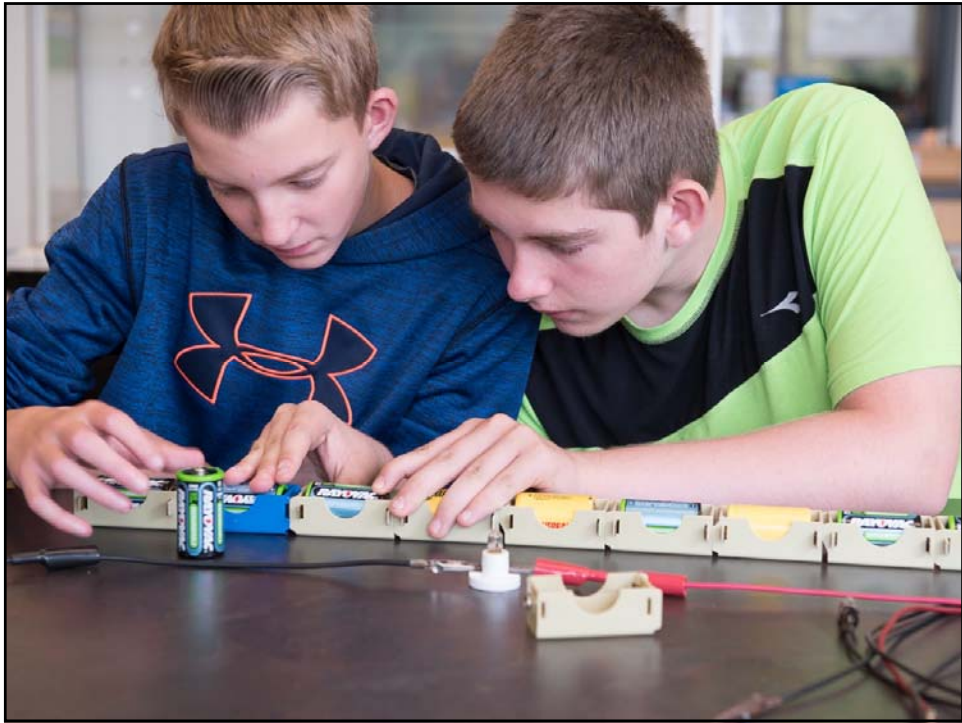

Respect for Adult and Student Diversity

Collaboration within a Professional Community

A screenshot of the Summer Learning website for North Vancouver School District. The page features a navigation menu with links like Home, About Our School, Course Info, Registration, Staff Info, Communicating Student Learning, and Contact Us. A search bar is located in the top right. The main content area includes a featured article titled "Developing and understanding students' Learner Profiles" with a sub-headline "Students in the IB 7/8 Transitions program prepare for high school by learning about themselves and others." Below this is a section titled "Five Important Facts about Summer Learning" with a list of five points and a yellow sticky note icon. To the right is a "Quick Links" section with three items: Attendance Policy, Summer Learning FAQs, and Registration Information.

A Focus on Student Engagement and Learning
