Learning and Educational Change

- Curiosity vs. Marks – What is more important in our learning
- One size fits all (Standardized) vs. Personalized Learning
- Increasing Intrinsic Motivation and Engagement in our Learning
- Changing assessment & better use of assessment to support our learning
- What do we want students to know & what do they need to know?
- Moving from Traditional to Innovative School Structures
- Helping ALL students feel safe, successful, and welcomed at school

District Wide Student Forum – April 6th, 2016

150+ Students from across the District come together and discuss educational issues that have been raised by the council as topics of great interest throughout the year.
