This Standing Committee Meeting will provide an overview of the Draft North Vancouver School District Sustainability Strategy. The draft was created by a committee made up of members of the Sustainability Strategy Working Group, Learning In Nature Group, the Green Team, teachers, students, community sustainability organizations and School District staff. Discussions will focus on strategic priorities and goals for sustainability in the North Vancouver School District as we seek to realize our goal to "provide leadership in environmental education and sustainability practices."

Facilitator Dorli Duffy will guide participants through small group discussions, gathering input and feedback on the draft vision, mission and values related to sustainability in the North Vancouver School District.
