

711 Financial Planning and Reporting

Adopted: December 7, 2021

Policy

The Board of Education is responsible for the careful stewardship of public funds, while ensuring the delivery of world-class instruction and a rich diversity of engaging programs to inspire success for every student. The Board of Education is committed to accomplishing its strategic priorities while operating in a fiscally responsible manner.

The Financial Planning and Reporting policy has been developed to provide a planning framework which encourages community engagement, financial transparency, and prudent use of resources to support the Board of Education strategic plan and priorities and other operational needs of the school district, and promote enhanced educational outcomes for all students.
