

We provide world-class instruction and a rich diversity of engaging programs to inspire success for every student and bring communities together to learn, share and grow.

We provide meaningful assessment and relevant instruction to support the success of every student and, to ensure this outcome, **encourage** professional growth for all staff.

Instructional Practice

We thrive on bringing people together through collaboration and responsive partnerships that **strengthen** communities and contribute to the needs of students and society.

Community Connections

We build strong, trusting relationships that develop the confidence and sensitivity needed to **share** ideas and create solutions within our schools, families of schools and school district.

Integrated Communities

We **build** trust, respect and mutual understanding through open, proactive communications that convey the achievements and challenges of the school district.

Communications

We proudly **honour** individual and collective accomplishments that inspire all of us to pursue and achieve success.

Sharing & Celebrating Success

North Vancouver School District

Program Diversity

We **provide** a diverse range of programs that reflect the values and interests of our community.

Facilities

We strive to provide welcoming, safe and sustainable facilities that **enhance** the learning and teaching environment.

Information & Communication Technology

We provide seamless and appropriate information and communication technology to **serve** all aspects of learning and to support our operations.
