

About our Programs:

For over twenty years Artists for Kids has proudly offered After School Art Programs to students from the North Shore and the lower mainland. Our Programs continue to run each Fall, Winter, and Spring at various schools across the North Shore.

AFK's After School Art Programs are taught by art specialist teachers. All art supplies and materials are included in the course fee. A student exhibition is held in the Gordon Smith Gallery at the end of each term.

All AFK programs provide students with opportunities to further their artistic ability and to foster positive attitudes towards the visual arts.
