## Announcements

### École Handsworth School Opening

On Monday, February 7, administration and staff warmly welcomed students into their brand new school. Described by the [North Shore News](#) as a “sleek modern three-storey design, full of natural light,” the new Handsworth is the school district’s most recent example of a modern school design that puts the focus on collaboration and community, which will naturally lead to continued excellence in teaching and learning experiences. We look forward to sharing with you a new school video soon; in the interim, here is a [teaser video](#) produced by Handsworth alumni Megan Hingson and Felix Soong. *Congratulations to the Handsworth school community!*

## Information

### Lockdown Procedure and Practice Drill

The North Vancouver School District recognizes our collective responsibility in keeping students and staff safe while on school premises. Part of that responsibility includes ensuring school communities are familiar with procedures that keep one another safe during an emergency situation.

A *lockdown* is an emergency procedure designed to protect occupants from external harm or contain the movement of occupants during an emergency situation. A lockdown means people must stay where they are and cannot leave until escorted outside by designated response personnel.

In previous years, the school district and North Vancouver RCMP have led a district-wide lockdown drill on a specific date in February. This year, the initiative will shift to a school-based lockdown drill between the dates of Monday, February 14 and Friday, March 11. Families can expect to receive (or may have already received) additional information about the lockdown drill happening at your child's school directly from the school principal.

### New Daily Health Check Resource from Vancouver Coastal Health

The Vancouver Coastal Health Rapid Response Team has prepared a new resource, [Daily Health Check & What to Do When Sick](#). This document has been posted to the [COVID-19 section](#) of our website and replaces any previous versions of the daily health check, which no longer align with recent changes to Public Health guidance.

## **North Shore Connects Requests Prioritization of Burrard Inlet Rapid Transit**

North Shore Connects is a partnership of the District of West Vancouver, Skwxwu7mesh Nation, City of North Vancouver, District of North Vancouver and Tsleil-Waututh Nation, who are together improving transportation on, to and from the North Shore.

North Shore Connects is requesting that Burrard Inlet Rapid Transit (BIRT) be prioritized in the new Mayors' Council 10-Year Regional Transit and Transportation Vision and Investment Plan, following supportive council votes by all three local North Shore governments on February 7 and support from the host Nations. ### **Explore & Create Saturday Art Program**

Admission is by donation (\$5 suggestion per attendee) and parental/guardian supervision is required. Click [HERE](#) for more information.

### **Beyond the Horizon Exhibition ends February 24**

*Beyond the Horizon* is an expression that encourages us to consider what is “farther than the possible limit of sight, beyond what we can foresee, know or anticipate.” The horizon as a metaphor provides us with an opportunity to challenge and evaluate our own ways of knowing. The artists in this exhibition expand conventional uses of materials and explore modes of making through collaboration with other artists and the land. Click [HERE](#) for more information, including gallery hours.
