2022/2023 Budget Update

The 2022/2023 Annual Budget, which provides a planning framework to guide the school district's staffing and organizational plans for the upcoming school year and balances estimated expenses to forecasted revenues, was presented to and approved by the North Vancouver Board of Education at the May 24, 2022, Public Meeting.

The overarching theme to the planning and preparation for the 2022/2023 budget year has been "strategic, targeted investments." Strategic, targeted investments align with the school district's foundational directions (i.e. <u>five educational priorities</u> and <u>six strategic goals</u>). By allocating budgets strategically and prioritizing long-term financial sustainability, the school district will be able to move beyond the pandemic, maintain core services to students, and weather any unforeseen or material changes in planning assumptions.

The 2022/2023 budget (available for review in the Board package, pages 29-62):

- Prioritizes direct support to students.
- Requires no teacher layoffs and supports new investments in staffing positions.
- Continues to develop district programming.
- Relies on the accumulated operating surplus to balance the budget.

We would like to thank rights holders, school district partner groups, and community members who throughout the budget development process provided thoughtful feedback, which was used to help inform the development of the annual budget.

We would also like to commend the Board of Education for approving a budget that incorporates Board-approved strategic directions, maintains the short-term and long-term fiscal health of the organization, and ensures the school district continues to maintain teaching and learning environments where all learn, share, grow and thrive together.

Information

(New!) Trail-specific safety videos

With the summer hiking season approaching, now is a good time to start planning hikes and overnight trips in the breathtaking mountain playground we call home. Various outdoor safety organizations have partnered with BC Search and Rescue Association to

provide 11 short trail-specific videos for some of the most popular provincial trails, including Stawamus Chief, Howe Sound Crest and Black Tusk. This video series is designed to help you plan your trip, suggest what to take with you, and show some trail highlights—all to ensure you are prepared and know what to expect on your next backcountry adventure.

Rapid antigen test kits available to all families and staff

Earlier this year, all NVSD families and staff had the opportunity to access rapid antigen test kits through their school/site. We have extra test kits, and we would like to offer them to all families and staff on a first come, first served basis. To receive additional test kits, please visit Reception, located on the 2nd floor of the Education Services Centre, 2121 Lonsdale Avenue, between the hours of 8:30 a.m. and 4 p.m.

Homestay families needed

Each year, the North Vancouver School District welcomes students from around the world to live and study in our vibrant community. We strive to place secondary school international students with families who live close to school to support each student's integration into the school and wider community.

There are secondary school international students in need of a homestay placement for the school term beginning September 2022. If you are interested in hosting an international student, please reach out to our International Education program office at international@sd44.ca. More information about the homestay program is available HERE.

2023 District Quebec Trip Information Session - May 30

The school district plans to offer an optional extra-curricular educational experience for Grade 8 French Immersion students from across the school district to Quebec City, May 28 – June 3, 2023. Families interested in learning more about this trip are invited to attend an in-person information session on Monday, May 30 at 6 p.m. at the Education Services Centre (2121 Lonsdale Avenue). Click <u>HERE</u> for more information.

Public Board Meeting – June 21

The next Board of Education Public Board Meeting takes place on Tuesday, June 21, at 6:30 p.m. Visit our <u>Meetings & Minutes</u> page for information on COVID-19 procedures for

attending meetings in person, how you can provide input, and to review the complete agenda (available on the Thursday afternoon preceding the public meeting).

We can only hint at this with words - Exhibition open

Presented by the Gordon and Marion Smith Foundation for Young Artists, *We Can Only Hint at This with Words* consists of large scale, multi-surfaced mixed media paintings by Russna Kaur, shaped cut-out paintings by M.E. Sparks, and mixed media sculptures and stop-motion video by Andrea Taylor. All three artists navigate the complexities of working with historical reference, and in doing so, find ways to construct their own shapes and gestures. The exhibition will explore the different ways each artist quotes, pulls apart and reshapes the historical narratives that inform their work. For more information about this exhibition hosted at the Gordon Smith Gallery of Canadian Art, please visit the <u>exhibition</u> web page.
