

Adobe Creative Cloud

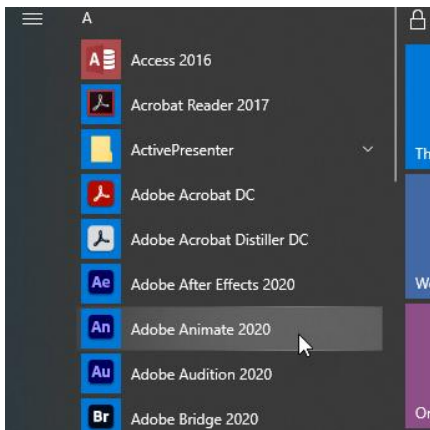

How to Access Adobe Applications (for Staff & Students)

Staff and students can access Adobe Creative Cloud applications on designated school/district devices using NVSD Active Directory login.

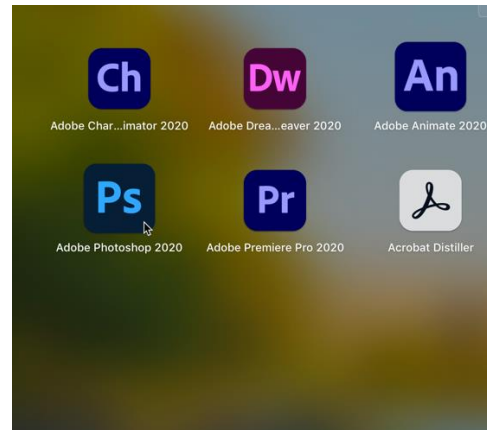

1. Logging in

Navigate to and click to open the application.

PC:

Mac:

Enter your District email address:

- For staff, use the email address that begins with your employee number.
- For students, your email address starts with your computer ID (012345s).

Then click 'Continue' and follow the prompts.

2. Saving your work

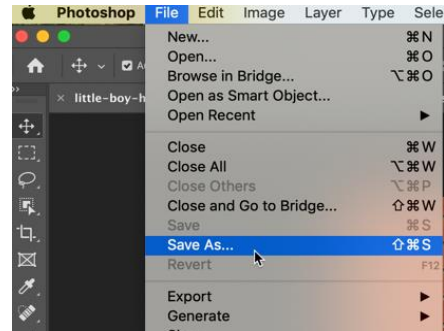

Adobe Creative Cloud storage is NOT available for staff and students. Save your work to Home Folder (H: drive) so that it can be accessed on different devices.

Click *File > Save As...*

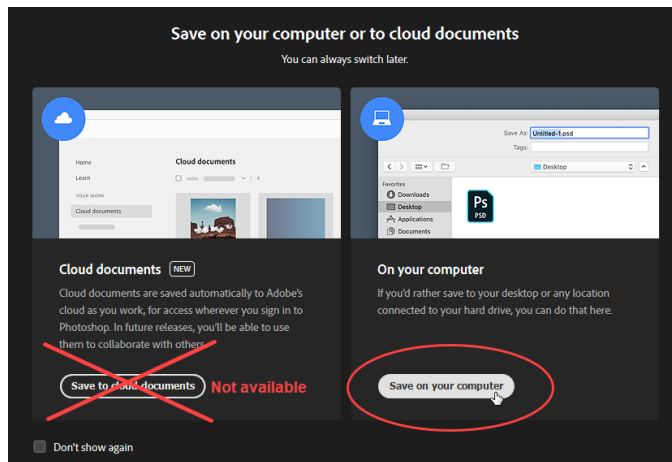

PC:

Mac:

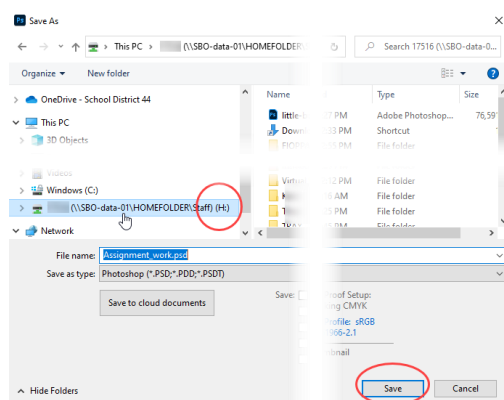

Click *Save on your computer*.

Select H: drive or Home Folder. Give the file a filename and click 'Save'.
