Hello Argyle Families,

We would like to commend the entire Argyle community on the vigilance towards safety that students and staff have demonstrated when attending classes. The compliance in following Health and Safety Guidelines as set out by the Ministry of Education and Provincial Health Officer at school has been strong.

We continue to follow all Provincial Health Guidelines for K-12 Settings which includes robust health and safety protocols. Schools are considered “controlled environments” in that they have a consistent group of people accessing the building and solid safety plans.

Our hope is that this safe effort can carry over to non-school activities on the weekends and evenings. Please take a few moments to discuss with your student(s) strategies set out to reduce the transmission of COVID-19 during unstructured time.

1. Argyle Music

Dear Argyle community,

We are excited to share with you that our annual *Cabaret Silent Auction* will be continuing online this year. Cabaret has been an annual event where we have the opportunity to showcase the incredible talents of Argyle music students, gather as a community, and raise funds for graduating music student scholarships and bursaries. While the restrictions posed by COVID-19 has meant that we have to put the performance aspect of the event on hold, we would like to continue with the Silent Auction portion of the event online. Funds raised for this event will go towards scholarships for our graduating music students.

Currently, we have approximately 50 items and 25 mystery prizes available for our silent auction. **The auction will open on May 10th at 6:00am and will close on May 15th at 10:00pm.** We will share the link closer to opening date. You can also stay up to date through our Argyle Music website: <https://www.argylemusic.ca/>

In closing, we would like to thank our parents, families, and community members for their donations in support of this event. We would also like to say thank you to our wonderful Argyle Music Association for their dedicated work and creativity in making this happen. We hope you will take part in our Silent Auction, and we look forward to having the opportunity to share music and performances with all of you again.

Best regards,
Diana Chan, Band Director
Frances Roberts, Choir & Strings Director

2. Grade 12 Capstone Projects

All grade 12 students in CLC need to check their CLC 12 Class Team on Teams. Students have been assigned to a teacher/class for their Capstone project presentation and must contact the teacher to set up a time. Grade 12 students should contact their CLC 12 teacher if they have questions.

3. Course Request Verification for 2021-2022

Parents can see their child's course requests for the 2021-2022 School Year by logging into your MyEd Account (the same account where you view Report Cards and Attendance). Students have a MyEd login and can check their requests anytime.

Instructions:

Log in to MyEd > top tab "Family" > choose the child you wish to view and click on their name > side tab "Schedule" > side tab "Requests".

If you or your student has any questions about their course requests for next year, please have them reach out to their Grade Counsellor through email or MS Teams.
