Hello Argyle Families!

We would like to extend our sincere appreciation for your continued support of the Argyle community and working with us through the many changes this fall both within the education system and society. It has been quite the adjustment and the students have done exceptionally well embracing the new system, COVID protocols, and learning to “roll with it”. We wish you a safe and joyful winter break and look forward to welcoming your child(ren) into the new school on January 5th.

We are excited to share a video we have been hard at work preparing so that you get a sneak peak of the new Argyle Secondary School. Enjoy a glimpse into what awaits our students and staff when they start the New Year (2021) in a brand-new school.

1. Student Council's Annual Gingerbread House Contest

Looking for something to do next week? Student Council is running its Annual Gingerbread House Contest a little differently this year. They will be doing a photo/creation contest. Below is the poster with all the information. Students are all welcome to participate by themselves or they can make it a family affair. Students can send a picture of their finished gingerbread house by direct message to the “ArgyleStudentCouncil” Instagram.
