

Friday, March 5th, 2021

Hello Argyle Families!

This week our Grade 9 to 12 students made the switch to morning hybrid classes and afternoon face to face classes. Quarter 3 Interims will be published next Wednesday to the MyEd portal. I know many are counting down the days until Spring Break and a much-needed rest. Take care and stay safe and healthy.

In this week's newsletter you will find information on:

1. Argyle PAC Fundraisers – Cobs Bread & Rocky Mountain Chocolate
2. Upcoming Dates
3. Argyle Let's Talk Shop Parent Virtual Event
4. Spring Break Opportunities for Students

Warm regards,

Kim Jonat, Principal

Caren Hall, Vice Principal

John Crowley, Vice Principal

6. Argyle Let's Talk Shop Parent Event presented by Foundry North Shore

Wednesday, March 10th, 6pm to 8:30pm on Zoom

This unique online workshop allows parents an inside look into the world of our North Shore youth.

“Let's Talk Shop” is a facilitated evening event that brings parents and youth "together," via Zoom, in a confidential, respectful and safe way. The evening offers parents a unique inside look at the world from a youth's viewpoint.

The evening has two components:

- A parent workshop that delivers relevant, foundational information about youth development, and
- A facilitated event with the youth, where the only requirement of the parents is to listen.

For more information and to register for the event please visit:

Spring Break Opportunities for Students

a. Student STEM Virtual Conference during Spring Break

Students at Carson Graham Secondary are hosting a day-long, free Science event for high school students across B.C., on March 15, 2021 from 11am-4pm (via Zoom). They even have a speaker from the Bill & Melinda Gates Foundation!

Teens can watch talks from 5 Scientists whose jobs are deeply entrenched in technology, with Q&A sessions after each talk.

Presented by The Carson Graham Teen Nerd Nite Club. Teen Nerd Nite is an all-volunteer student organization offering a range of free STEM (Science, Technology, Engineering & Math) programs and resources to high school students across the province.

Carson Graham TNN presents

THE QUANTUM LEAPS CONFERENCE

Join us on Monday, March 15, 2021 from 11a.m. to 4p.m. on Zoom for a free afternoon of 5 talks from scientists with jobs deeply entrenched in technology.

Speakers:

Epidemiology and Data
Dr. Jennifer Gardy, Bill & Melinda Gates Foundation

Condensed Matter Physics
Ketty Na, Quantum Matter Institute, UBC

Theoretical Physics and Quantum Computing
David Wakeham, Physics & Astronomy, UBC

Physiological Limits of the Human Body
Assaf Yogev, Environmental Physiology Lab, UBC

Digital Health Communication
Alison Muller, Faculty of Medicine, UBC

b. Museum of North Vancouver Spring Break Theatre Teen Camp

MONOVA's Museum Theatre Teen Camp will give youth the chance to connect their own personal stories with North Vancouver's history. Teens will develop acting and historical interpretation skills through improvisation, theatre games, object interpretation and movement. Throughout the week, the group will explore topics like environmental and social change, ending the week with a short creative response that will be recorded and shared through MONOVA's social media channels. Theatre experience is not required. FREE!

- March 15th -19th, Ages 13-15, 10am – 1pm
- March 22nd -26th, Ages 16-18, 10am - 1pm

c. Think Global LEAD Local - Youth4Action Leadership Bootcamp

March 16, 17, 18 (10:30-2:30)

Are you a Metro Vancouver high school student who is passionate about influencing sustainability and making a positive impact in your community?

The United Nations Sustainable Development Goals (SDGs) are a collection of 17 ambitious goals aimed at creating a more sustainable, inclusive and equal planet. This Metro Vancouver Leadership Boot-Camp will prepare high school youth with the knowledge, skills, and passion to create positive change for sustainability in their communities and beyond! Through the lens of the Sustainable Development Goals, students will explore the links between global challenges and local action, enhance their leadership and critical thinking skills, and expand their network of leaders passionate about making a positive impact for people and planet.

For more info visit: <http://www.metrovancouver.org/events/youth-leadership/think-global-lead-local/Pages/default.aspx>

d. Exploring Post-Secondary Options

Spring Break is an ideal time for grade 10 and 11 students to begin exploring post-secondary programs online, as well as scholarships or bursaries they may be eligible to apply for in their grade 12 year. Many post-secondary institutions are also offering virtual tours.

Some websites students may wish to explore include:

- [MyBluePrint](#) (students have their own accounts at Argyle)
- [BC Education Planner](#)
- [Argyle Post-Secondary Information Page](#)
- [Argyle Scholarship Page](#)
- Individual post-secondary institution admissions pages
