

May 21st, 2021

Hello Argyle Families,

We are looking forward to our final five weeks of the school year. Quarter 4 classes had their first day of the delivery switch today, our Period 8 classes for Grades 9-12 are now running full time face to face and our morning Period 7 classes are now hybrid. Classes have been welcoming the warm spring sunshine and using our outdoor spaces to their full advantage. While watching the demolition of the old Argyle, we are happy to see the progress in our grounds, shared spaces, and vegetation.

As we move into the May long weekend, we have reminded all students to remain vigilant with following Provincial Health Orders and keeping each other safe and healthy. If you have not yet read the Superintendents Update sent yesterday, please click [here](#) for the NVSD Superintendents Update regarding long weekend protocols, vaccine rollout for students age 12+, and a message from North Shore Rescue.

We wish you rest & rejuvenation over the May long weekend and look forward to seeing students back on Tuesday, May 25th.
