ATTENDANCE

Regular attendance is a significant factor in ensuring success in school. It is the responsibility of the parent(s)/legal guardian to ensure the student has regular school attendance. Occasionally, students must miss class for unavoidable reasons such as illness, family emergencies or medical/dental appointments.

1. A Parent or legal guardian must phone the school to inform them of a student's absence (Please be aware a teacher CANNOT excuse a student for an absence, and thus the office must be contacted in such event).
2. Students are also required to inform the teacher as soon as possible via MS TEAMS or verbally.

CONCERT EXPECTATIONS

Full participation at all concerts and events is expected. There will be set-up and/or clean-up duties assigned as well as a pre-concert CALL time. Audience participation is also an integral part of the concert for the performers. Please speak with me immediately if there is a scheduling conflict. An UNEXCUSED absence for performance results in a participation deduction from your final grade.

CONCERT ATTIRE/UNIFORMS

Appropriate concert attire, including options for uniforms, will be notified in advance. Dressing for performances counts towards professionalism and participation marks¹.
