

PE Course Outline

Philosophy:

To enable all learners to enhance their quality of life through active living. In Physical and Health Education 10, further development of fundamentals and game strategies are taught. Mental health and healthy decision making will also be taught. Physical Education classes will explore indoor and outdoor activities. Students are required to be prepared to participate in BOTH indoor and outdoor activities each day, regardless of weather conditions. The course will take place from September to the end of January. Student participation is essential to success. Each student must attend regularly, demonstrate a willingness to learn, and put in a solid effort regardless of skill level.

Core Competencies:

- Communication, thinking, and personal/social

Big Ideas:

- Understanding our strengths, weaknesses, and personal preferences helps us to plan and achieve our goals.
- Trying a variety of physical activities can increase the chances of being active throughout our lives.
- Health Choices influence, and are influenced by, our physical, emotional, and mental well-being.
- Personal fitness can be maintained and improved through regular participation in physical activities.

* Activities may include indoor/outdoor individual, dual and team pursuits. Further description of the PE 10 curricula is available on the BC Ministry of Education website.

Student Expectations

Attendance

Attendance and active participation in PHE is required. A note may be required upon returning to class for missed PHE classes and only absences of illness, medical appointments, school functions and other unavoidable reasons are considered excused absences. Students need to ensure parents/guardians make contact with the school regarding absences. Students are expected to communicate via MS Teams if they will miss any class.

Punctuality

Students should be in gym strip, ready to go, within five minutes of the starting bell.

Equipment/Materials needed

Students are required to have a change of clothes each day. This can be shorts/track-pants and a T-shirt/sweatshirt along with appropriate footwear such as running shoes/cross-trainers. Students must be prepared with warm/dry clothing when the class is outside. In addition, students are encouraged to include a water bottle as part of their everyday gym strip.

Lockers

Please bring a lock to class every day (keep this in your bag) to secure your bag and personal items in a locker. Our PE facilities do not have space for your bags or personal items. These will become safety

hazards. There are day-use lockers available for students and we request students to them to keep your belongings secure.

Cell Phone Policy

Students should not have their cell phones in class. Cell phones should be locked in lockers. It is tough to swing a racquet or dribble a basketball while holding your phone.

Assessment

Will be made in the following curricular competencies: Physical Literacy, Healthy and Active living, Personal and Social Responsibility, Social and Communication. Evaluation may include assignments, self-assessment, teacher observation, and daily participation.

Field Trips

Argyle's PHE students will participate in out of school field trips in the community for various recreation activities. Argyle PHE students will participate in classes of school property, at local parks, in local trails and will involve students running or walking in the community. It is the student's responsibility to transport themselves to these locations. Please complete the "Walking Field Trip" form located on your school Cash Online account.
