

Student Access to MyEdBC (MyEducationBC)

MyEducationBC is our provincial student information system/database. For students and their families, the 'Parent/Student Portal' provides access to:

- Report Cards
- Schedules
- Course Selections (when the selection window is open)

All students in NVSD44 have access to MyEd however, usernames and passwords are unique to this system.

Accessing MyEd

1. Navigate to www.myeducation.gov.bc.ca/aspn (do not google as you may get an incorrect link)
2. In the dialog box
 - a. Enter your username (usually your pupil#nv ie. 124432nv)
 - b. The first time you access the system, you will be provided with a one-time use temporary password such as TIDY456loam.
 - i. When you enter your username and temporary password, you will receive a "password has expired" message. Follow the prompts to create your new password as below.
 - c. Your password is set by you and must have the following parameters.
 - i. *Between 8 and 14 characters*
 - ii. *At least one upper case and one lower case letter*
 - iii. *At least one numeral*
 - iv. *At least one symbol (ie. #, \$ or _)*
 - v. *Cannot contain whole or part of you actual name or pupil number*
 - d. If you have forgotten you password, you can request a temporary, one-time use password by clicking on the "I forgot my password" link. In general, you will have set your primary email address when you logged into MyEd your first time during course selection. If you cannot remember your primary email and/or security question answer, you will need to request a reset from the school; see your grade administrator or counsellor who can help you submit a request.
 - e. NOTE: MyEd passwords expire every 90 days and you will be prompted to create a new one. It is recommended that you create a password system to renewing your password ie. *Summer#1, Summer#2, Summer#3*, etc.

Report Cards

PDF's of your report card will be located in the 'Published Reports' frame. Report cards only remain on MyEd until the July of each year. Print or save a digital copy for your records.

Changing your Settings

From within the system, you can change your password, security question, personal email at any time. Click on your '*name*' in the upper right part of the window to see the '*Set Preferences*' drop-down. Choose the '*Security*' tab and make edits as needed.

Checking your schedule

Click on the "*Family*" tab along the top left of the window. From there you can review your info in the system using the various 'side tabs'. The *Schedule* side tab is where you can see you current schedule, and where you will enter your next year *requests* once the course selection window is open.
