**A MESSAGE FROM MS. LAROUÉ and MS. WARDAS**

Student / Family / Teacher goal setting conferences will be happening October 16 / 17 / 24th. A separate notice outlining the format and expectations will be published soon. Goal setting is an essential and valuable life skill and we look forward to inviting families and their child(ren) to meet with teachers.

Thank you to our PAC for sponsoring *GRIT* workshops with Alix Dunham. Alix is well known in the community and we are thankful for her expertise and guidance with grade appropriate lessons on brain health and resilience. Please contact your child's teacher if you'd like more information.

Piggybacking on the success of the summer reading club offered through LV Public Library, I have linked information about the [Book Buddies](#) program at Lynn Valley Public Library. The program pairs a teen volunteer with younger students aged 6-11 who may need support or extra practice with their reading. There are spots still available for parents to register their children. There's nothing better than cozying up with a great book and a blanket on these cool and rainy fall days!
