**A MESSAGE FROM MS. LAROUE and MS. WARDAS**

We have heard amazing comments coming out of the student goal setting conferences! Congratulations to our students for setting thoughtful goals and thank you to our parents and caregivers for your support. While we have only 1 more early dismissal for goal setting conferences, there may be conferences going on throughout the week. Please connect with your child's teacher if you are still needing to set a conference time.

As we approach Halloween, please be reminded of the following items and safety expectations:

- In past years, students arrived at school wearing their costumes, in anticipation of "the primary parade"
- we will have an outdoor parade around the field at approx. 9:10am if the weather permits. Adult assistance is not available for costumes, so please ensure your child has everything they need to be self-sufficient.

**Please ensure your child has a change of clothes to change into after recess and they can change without adult assistance.**

**Please consider keeping costumes very low-key (wearing black and orange is totally fine), and culturally sensitive. We cannot guarantee that costumes won't get damaged before the big day (or wet, if it is raining).** Costume reminders: be appropriate for an elementary school setting, follow the Boundary Code of Conduct, no weapons, face masks, or elaborate make-up. Costumes must be easily stored in a bag after recess.

**We continue to encourage healthy eating and therefore, we thank you for not sending Halloween treats to school. Please do not send treats to share with the class on Halloween day. Thank you.**

**Outdoor School for grade 6 students has been finalized for December 20-22. More information will be coming home soon.**
