We are pleased to announce that our school has been accepted into the
BC School Fruit and Vegetable Nutritional Program

(Administered by the BC Agriculture in the Classroom Foundation and supported by Healthy Families BC)

Our school is involved in a province-wide healthy living initiative. One of the goals is to encourage healthy eating by providing fresh BC fruits and vegetables to our students *during class time*. Our students will receive these healthy treats 13 times over the school year at **no charge!**

For schools with K-2 grades, there is also the option to have milk delivered along with the fruit and veggies, again, at **no charge**.
