

DECEMBER 1, 2016

# École Boundary Entrepreneur Evening

**École Boundary's first ever young entrepreneurs show!**

**Come join us for an evening of shopping! Our students have worked hard to create amazing and innovative products to share with their community. There will be holiday themed products as well as many more items !**

École Boundary Elementary school grade 6 and 7 students have been working hard to develop business plans, design unique and creative items all while exploring new technologies and collaborating with their peers. Come support these young minds as they get a glimpse of the world of business along with getting some early holiday shopping finished!
