Dear Parents and Guardians,

Your child will be receiving supplementary learning materials that his/her teacher feels will enhance student learning. As per School District Policy 706, schools are permitted to:

*“charge a fee for goods and services associated with enrichment activities, courses, or programs that extend learning opportunities for the student beyond the basic educational program required to achieve provincial learning outcomes or required for graduation...When a school fee is charged, the intent is to assist in **recovering costs** without realizing any profit. Every effort shall be made to keep student fees to a minimum.”*

Listed below are the items that your child’s teacher has identified for the 2021-2022 school year.

| Grades | Item | Cost |
|------------|----------------|---------|
| Grades 1-7 | Student Agenda | \$ 8.00 |

Please note that we will **not be accepting Cash or Cheques**. All payment will have to be made using the **School Cash Online** system. Please make payment no later than May 30, 2023.

It is our intention that all students benefit from these supplementary learning materials. Fees may be waived in instances where payment would result in financial hardship. Please contact our principal, Mr. MacLeod, at the school by phone, or email regarding such needs.

Thank you for your continued support!

The Staff of École Boundary Elementary School
