### Intermediate Student Supplies 2023-2024

(Grades 4 to 7)

May 2023

Dear Parents and Guardians:

As was done in previous years, the Intermediate staff is planning to purchase the intermediate school supplies in bulk. This bulk purchase is being done in order to provide supplies of consistent quality and quantity, and to enable the purchase of exact materials needed for the classroom.

By purchasing in bulk from Creative Children/Staples we are able to pass on the savings to you, and we will have consistent quality materials for our classrooms.

We would like to stress that we are trying to keep the costs as low as possible, lessen your shopping time, eliminate individual name labeling, be more environmentally friendly with less waste, and keep quality consistent. Please note **WE WILL NOT BE ACCEPTING CASH OR CHEQUES**. Please use School Cash Online to complete the **\$50** payment no later than May 30, 2023.

For grades 4,5,6,7 the following items will be purchased.

- |                       |                            |                            |
|-----------------------|----------------------------|----------------------------|
| • pencils             | • erasers                  | • glue sticks / white glue |
| • felt pens           | • paints                   | • pencil crayons           |
| • highlighters        | • special project supplies | • pastels                  |
| • binders / duo tangs | • notebooks / loose-leaf   | • tissue                   |
| • rulers              | • paper                    | • tape                     |

Scissors and rulers will be purchased for student use but will belong to the classroom. In future, fewer scissors and rulers will need to be purchased. Some students may want to bring in their own special supplies and we would suggest that these items are not required but are an additional choice. These items may include:

- |                                  |              |                         |
|----------------------------------|--------------|-------------------------|
| • plastic space maker pencil box | • USB stick  | • headphones / ear buds |
| • mechanical pencils             | • Calculator |                         |

Following are some individual, essential items that will still need to be provided by the home:

- **Large backpack** for carrying home books, class work, projects, lunches etc.

If you have any questions, please contact an intermediate teacher or the school office.

Yours Truly,

École Boundary Intermediate Teachers
