

**Braemar Elementary School
Parental Information for Student Placement
School Year 2022-2023**

It is important that students learn to work and socialize in diverse environments, as this enables them to successfully prepare for future learning pathways. Teachers get to know their students very well during the course of a school year and consider each and every student as an individual and as part of the school community when considering class placements.

Parents and guardians understandably want to ensure that their child is placed in the best possible learning environment. If there is information that the current classroom teacher and/or the principal does not have and should consider when placing your child, please complete this form. An accompanying letter or meeting with staff or administration is not required.

Please complete this form ONLY if you have information that the staff needs to know as they consider the class placement for your child. Please complete only the applicable areas, and then rank the priority in the boxes on the left with 1 being the most important to you and 4 the least important. Information provided will be shared with the classroom teacher and other staff members that your child has worked with.

PLEASE DO NOT REQUEST THAT YOUR CHILD WANTS OR DOES NOT WANT TO BE WITH A SPECIFIC TEACHER OR STUDENT. If a request of this nature is made, the form will be considered null and void, and it will be returned to you.
