In support of Education Savings Week 2023, please share this [letter](#) with families/guardians of students in Kindergarten through Grade 4 to let them know their child may be eligible for a \$1,200 B.C. Training and Education Savings Grant for their post-secondary education.

Subject: School-Aged Child Care Demand Parent Survey

Dear Parent/Guardian,

On behalf of the Ministry of Education and Child Care, we are sharing the survey information below to help inform the Province's [ChildCareBC](#) initiatives:

We know that many families depend on school-age child care to ensure their children have a quality, affordable, and inclusive place to be during a parent's full work day. That is why the Province's [ChildCareBC plan](#) is working to expand access to child care for all families that want and need it.

The Ministry of Education and Child Care is conducting a parent survey to better understand the regional and provincial demand for school age child care.

While we know there is unmet demand for school-aged child care, there is no current provincial or regional data quantifying the demand. Your participation will help the Province plan for future school-aged child care expansions.

This survey is intended for all parents, regardless of the type of child care you currently use or even if you are not using any child care at all.

Who should fill out this survey?

If you have children attending Kindergarten to Grade 7 at a B.C. school, we want to hear from you about your family's child care needs.

What will this survey be used for?

The survey results will be used to support planning for future initiatives under the ChildCareBC plan. All responses are voluntary and anonymous; you and your child will not be identified as a result of your participation in the survey. Information received will be combined and shared with your school and district as a summary.

How do I complete the survey?

The survey is now available online at:

<https://www.awinfosys.com/surveyfull3/minofed/main/SchoolAgeParents.asp?SchoolNumber=1136>

and is available in 18 languages. The survey will take 10-15 minutes to complete and is available starting November 21. Please only complete the survey once. The link is intended especially for you. Please do not share the link with anyone else. If you have any questions or concerns, please contact us at ChildCareBC.Engagement@gov.bc.ca. If you encounter any technical difficulties, please contact the web survey provider (AWIS) at support@awinfosys.com.

We greatly appreciate your input and thank you in advance for your participation.

Sincerely,

Ministry of Education and Child Care
