This is a reminder that there will be a math club meeting today at lunch in D312. Make sure to be there!

Mr. Wong is thrilled to congratulate the outstanding athletes who showcased exceptional skill and determination in the Duke's Cup Wrestling Tournament this past weekend. A round of applause goes out to Arad Ahangi, Taha Ghasemi, and Aya Habbouchi for their incredible performances, securing the first-place positions in their respective weight classes. Furthermore, we are pleased to acknowledge Oliver du Toit and Lizzie Nielson for their commendable third-place finishes.

In a special highlight, we extend our warmest congratulations to Arad for being recognized with the Most Outstanding Wrestler Award. Arad's achievement serves as an inspiration to all aspiring wrestlers and a testament to the high standards of excellence upheld at our school.

Please join us in celebrating the accomplishments of Arad, Taha, Aya, Oliver, and Lizzie. We are incredibly proud of their achievements and grateful for the positive representation they bring to our school community.

The second annual Carson Graham Futsal Intramurals tournament begins today, with fourteen teams participating this year! Matches will take place every lunch break for the next seven weeks, all in the large gym. If you are interested in coming out to watch and cheer on your peers, please join us. Kick off is at 1:10 PM. All spectators must enter via the upstairs entrance, located on the second floor of the B-wing. Also, please remember there is no food or drink permitted in the gym, so make sure you finish your lunch before entering. If there is garbage left behind at the end of lunch break, spectators will be restricted from watching future matches, so let's make sure we avoid this by respecting the space. We hope to see you there!

Congratulations to Kate Beatty of the Sr. Girls basketball team. She was named Tournament MVP over the weekend with 21 rebounds and 23

points while the team competed at Notre Dame Secondary. Great work Kate!

Good morning, Carson, It's the NEW YEAR and we have got another round of athletes of the week. This week, we want to shout out two exceptional athletes from Carson's Senior Girls Basketball team Faitha Zubedi and Myah Issley. Faitha coaches say she is one of the hardest working girls on the team. She always shows up to practice ready to play and even when she's injured. On the other hand, Myah's coaches say she is attentive and a true leader during practice and games. She asks great questions during practice that reflect her excellent game awareness. Fantastic work girl! Also show some Eagles pride and come out to watch the Senior Boys on Wednesday night defeat West Van at 7:30 pm in the large gym!
